SUMMARY

As a UI/UX Designer with a year of hands-on experience, I am dedicated to crafting user-centric digital experiences that seamlessly blend aesthetics with usability. Additionally, my expertise lies in effectively bridging the gap between creative design concepts and functional user interfaces. I eagerly embrace learning opportunities to expand my skill set and confidently tackle any design challenge. I am skilled in collaborating with cross-functional teams to deliver exceptional digital experiences.

UI/UX PROJECT

Thrend - A mobile application for Thrift Shopping

Thrend is the concept of a thrifting application, enabling users to browse and purchase preloved and vintage clothing at affordable prices from across India while championing sustainable fashion. [\(Check it here\)](#)

Reco - A mobile application for Waste Management.

Reco presents a waste management application, empowering users to effortlessly sell household, institutional, and various types of waste and scrap materials at market prices, and as per their convenient time. [\(Check it here\)](#)

Personal Website - A website to showcase my Expertise and Portfolio.

I have designed and developed a website from the scratch to showcase my expertise and portfolio of work. [\(Check it here\)](#)

WORK EXPERIENCE

Tekzen System - Mysore, India March 2023 - Present

UI/UX Designer

- Learning and implementation of industry specific software and tools.
- Designed and maintained multiple projects, aligning them with business goals and user experience to ensuring their success.
- Crafted dynamic interactive prototypes to illustrate design concepts, and gather stakeholder feedback.
- Successfully redesigned a website, focusing on improving user experience, user engagement and satisfaction.
- Collaborated closely with UI developers and testers to translate design concepts into fully responsive websites, ensuring impeccable functionality across diverse platforms and devices.
- Focused on web accessibility to guarantee that the product catered to users of all abilities and demographics.
